To

The Principal,
Medical School, Amritsar

Sir,

Adverting to your letter No. 17192 dated 20th December 1938 addressed to the Secretary to the Government, Local Self Government Department enquiring when the next batch of 15 students may be sent to Mysore for training in midwifery, I have the honor to state that the next batch of 15 students may kindly be instructed to report themselves to me at my office immediately and receive further orders of posting. As greater facilities exist in the Maternity Hospital, Kolar Gold Field, a larger number out of 15, will be sent there and the smaller number to Mysore. Besides, arrangements will have to be made for affording facilities for the practical training of our own students in the Vani Vilas Hospital, Mysore from 20th January onwards and it will not therefore be possible to post a large number of students of your school to Mysore.

As soon as the candidates arrive in Bangalore and interview me, I shall issue orders regarding their posting.

I have the honor to be,

Sir,

Your most obedient servant,

Sd.B.K.Narayana Rao
